D.O.No.8-10(2)/2020-HS

Dated: 14<sup>th</sup> November, 2022

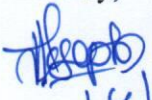

Dear Sir / Madam,

You may be aware that Final Estimates of 2021-22 and 1<sup>st</sup> Advance Estimates of current year (i.e. 2022-23) of area / production of Horticulture crops are compiled and approved for release by first week of January, for which data is required from the State / UT and Directorates of Horticulture by December. It is expected that by this time you might have accurate assessment of final annual estimates of 2021-22 (July, 2021 to June 2022).

2. In this regard, I would request you to upload the **State/ UT level and District level estimates of area / production** of Horticulture crops for the year **2021-22 (Final Estimates)** and **2022-23 (1<sup>st</sup> Advance Estimates)** in the HAPIS portal, in any case not later than **5<sup>th</sup> December, 2022**.
3. I would also request you to ensure, while uploading the data in the HAPIS portal that:-
  - **District-wise totals** of the area/ production data **add up** to the **State level estimates** and there is **no discrepancy** between State level estimates for each crop and District-wise totals.
  - Wherever, **marked increase or decrease** in area / production is observed as compared to previous year (i.e. Final Estimates 2021-22 as compared to Final 2020-21 and 1<sup>st</sup> Advance Estimates 2022-23 as compared to 2021-22), **reasons/ explanations are provided** along with the data, as desired/ advised by the Review Committee, to facilitate analysis/ appropriate policy initiatives by Horticulture Division.
  - The State level and District level data for both Final and 1<sup>st</sup> Advance Estimates, are to be **furnished through email** at **[cf.joseph@gov.in](mailto:cf.joseph@gov.in)** / **[hortedata-agri@nic.in](mailto:hortedata-agri@nic.in)**, to facilitate cross-checking with data uploaded in HAPIS.

With regards,

Yours sincerely,

  
14/11/2022  
(Joseph CF)

To,

- 1) Mission Directors / Director of Horticulture/ Agriculture (All States/ UTs), DASD, DCCD, NBB
